Sr. Mary Isaac, Superior General

Greetings of peace to you all! The Three founding members of our Congregation and Bishop Perlo, who had come to work and live....believed anyone called by God and has inherited the gift of the Holy Spirit of Passion and Compassion for souls must faithfully, joyfully and totally surrender to follow the footsteps of our Lord Jesus Christ....in caring for the poor, needy and suffering. Today with more than 400 Sisters, we continue to hold closely to the belief that it is the duty of all Christians called and sent to reach out on behalf of those who are less privileged.

We are currently serving in Kenya, Uganda, Tanzania, Zambia, Italy as well as in the United States of America, and ready to go even beyond.

With gratitude we look the past recognizing the miracle of our life as God's doing through your collaboration, flexibility and **availability to His will. May we heed the call of the Holy Spirit to live the present with passion** and compassion following Jesus as our absolute rule.

The sisters keep writing the great history every day, conscious that the Holy Spirit encourages us on and so he continues to work great things with and through us. Nothing is impossible with God.

Thank you very much for your continued trust to our mission with the poor and vulnerable. Sometimes the simplest things mean the most. The Sisters of Mary Immaculate have been able to attend them because of your generosity. Thanks for the share you take in furthering God's Kingdom. Blessings. Always in our Prayers

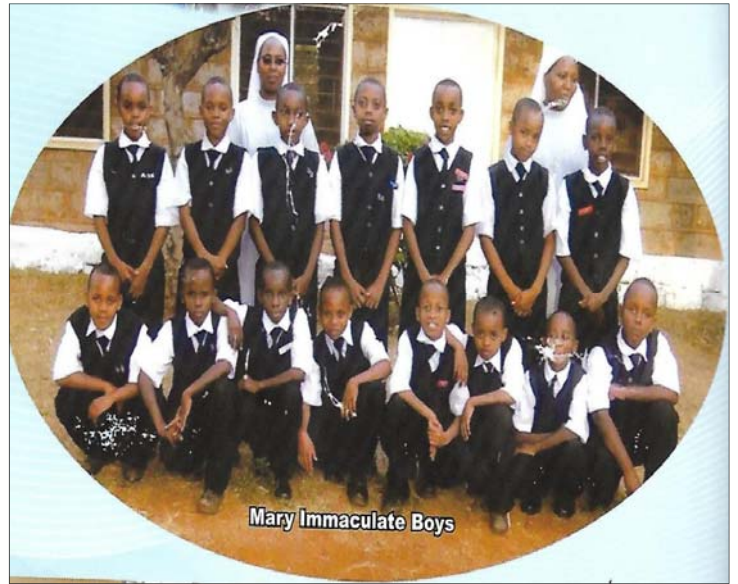

Sr. Helen SMI Mission Director

Peace and blessing to you our esteemed friends, and promoters of Missionary Sisters of Mary Immaculate. Of Nyeri. I would like to express profound gratitude to all our donors, sponsors, friends and well-wishers for partnering with us as we continue with God's mission. Over the past 100 years, we have grown because of your prayers, financial and moral support. I always get amazed at how the mysteries of God continue to unfold when we work as a team., numerous number of children have accessed education, a life changing reality for many. Families assailed by doubts and uncertainties of what the future holds for them been helped to live quality lives. Pope Francis, in his homily during World Youth Day reminded us that we need to let our eyes remain open to Jesus in our midst who is hopeful that He will get a drink from us. As the disciples of today who continues to transform the world, let us pray and never tire of seeing and hearing the voice of Jesus in the needy. My deepest gratitude and appreciation for outpouring of love and support which we have experienced from you over the years. Let's continue uplifting each other with our prayers and support.

THE USA COMMUNITY CENTENARY CELEBRATION TRIP TO KENYA: GROUP PHOTO

Tomasz Nowik & family

On October 20th 2018 I had pleasure of participating in the 100th anniversary trip to Kenya with The Sisters of Mary Immaculate of Nyeri. On the Trip, I could see the incredible work done by the Sisters helping the people and communities there. I could see the hospitals, schools, and rescue houses under the care of the Sisters and their generosity. Words can't explain all of the work done by the Sisters.

Steve & Donna

What a beautiful representation of God's love and compassion being lived out to the fullest! The Sisters brought us to many facilities where they provided care to the most vulnerable of Kenya. The hospitals, rescue centers and schools truly provide a refuge for the children being cared for."

My name is Sr. Pauline Theresa, I was born in 1942 in a small town on the slopes of Mt. Kenya, being the only girl in the family of six. I was only ten years when the Mau Mau war for independence broke out, Men were arrested and tortured in order for them to confess what they knew about the Mau Mau, women and children were taken in a camp and every morning the women were picked to go to the forest to dig the trench so to stop the Mau Mau from coming in the village either for food or water. The children were left in the camp and the soldiers could order the teachers to control them. The Consolata Missionaries used to come to distribute food to us and made us play and had session of story telling, very little learning was going on. Our head teacher requested the Priest to take me to their school , there I got enough food and proper teaching, I tried my best and passed my grade eight and the Consolata Sisters found an American family that sponsored me to the high school. I admired the charitable work the sisters did and I felt I wanted to become one of the sisters to help the needy children as I was helped. Today am very happy when helping children get a sponsor and continue with their studies.

Hi, I'm Michael, I want to take this opportunity to thank Uzima. I can confidently say that the far I am is Uzima and I will always be grateful. Uzima took me when I was a child and supported me through out my education and not only education also all sorts of support a parent can give to a child, Uzima is my family. I thank God because I now can support myself and my family. I have a wife and a beautiful daughter, I leave in Meru where I'm working with Mt. Kenya Petroleum distributors.

Hello, My name is Eric Muthama Mwangi, Born in 10/10/1996 at Eastleigh (Kinyago Slum) I thank Uzima and the Sisters till now that I'm a real man. I joined Uzima in 2004 through Sr. Margaret after my mother and father died at Kiambu slum. I then joined Eastleigh High School in 2012 to 2013, then I was transferred to Ndutumi Secondary until I sat for my K.C.S.E in 2016. I then took computer classes so to be separated with the slum, afterwards I joined K.C.T.I college where I did Automotive Engineering . Presently I'm working in a bakery as Assistance Production Manager, I'm working hard because I want to give back to the society. Thank you Sisters of Mary Immaculate for building my foundation.
